It is thought that Planning permission has now been granted.

5. Freston to Chelmondiston section:

Tony Gould had prepared a presentation to put to Woolverstone Parish Council; the committee all agreed this should now be sent to the Parish Chairman for an initial response.

6. Chelmondiston to Shotley section:

Rosie Kirkup and Sally Williams wish to look further at the mid-peninsula route as well as the route following the line of the B1456. Chelmondiston Parish Council might be able to put £10K towards this section of path.

Richard Wrinch has been very helpful with identifying land ownerships.

The Committee also asked this sub-committee to look at another route variation, following the B1456 as far as Wades Lane, then going via bridleways to Shotley Church.

It was agreed to put these various ideas on a plan, and then start to meet with the various landowners to sound out their views.
